IRS FORM 8871

Must be filed by: Monday, July 31st

- File only if you reasonably anticipate your campaign or county executive committee annual gross receipts to be $25,000 or more for any taxable (calendar) year.
- Your campaign/county committee will need a federal Employer Identification Number (EIN) to file, if one has not already been issued. This is a tax identification number and is needed even if there are no employees. If you do not have an EIN, you can obtain one immediately by telephone, using and following IRS Form SS-4. The SS-4 form and instructions for obtaining the EIN by telephone are available from the IRS Website at: **www.irs.gov/bus_info/eo/pol-file.html** or **www.irs.gov**.
- You must file Form 8871 both electronically and on paper. Electronic filing is done via the IRS Website, which provides the form (which can then be printed out) and instructions. The paper filing is done by sending a signed copy of the form to: **Internal Revenue Service Center, Ogden, UT 84201**.
- Form 8871 must be signed "by an official authorized by the organization to sign this notice." There is no filing fee
- Failure to file could result in gross annual receipts being taxed as taxable income.
- Help completing Form 8871 is available from the IRS help line at **1-877-829-5500**.
- If you are a county committee, you are registering only your non-federal (i.e. state) account. If you have a federal account (only a few of the larger counties might), that is exempt from registration, and you would simply list the name of that federal account in spaces 8(a) – (c) on the 8871.
