Internal Revenue Service

Dear IRS Agent,

This month Congress passed, and President Clinton, signed, a new law aimed at "Stealth PAC's" organized under section 527 of the Internal Revenue Code.

This new law requires that political groups exempt under section 527 notify the IRS both electronically and in writing that it is to be treated as a section 527 organization. In doing so, all political campaigns must file form 8871 no later then July 31, 2000. In filing form 8871, you are required to obtain an EIN from the IRS. Enclosed with this fax is my application form SS-4.

Because of the IMMEDIATE and URGENT nature of our requirement to file form 8871 by July 31, 2000, I am respectfully requesting you expedite my application for an EIN. It is unfortunate that I was notified of our requirement to file Form 8871 only days ago, and I realize that your work load must be extremely high at this time of year. However, if I do not receive my EIN and fail to file Form 8871 by July 31st, I will be fined and our collected contributions will be subject to taxation.

Again, I would appreciate your immediate assistance in this matter!

Sincerely,

Greg Rolen

I did apply for an EIN via fax on July 28, 2000—the day after I was notified of this new law. Obviously, I will not have an EIN number when I file Form 8871. I will file electronically as soon as I am provided with my EIN. I will also call the IRS and provide them with this number. I appreciate your understanding in this matter. For your reference, I have enclosed a copy of my SS-4 application, along with the letter of explanation I provided.

Sincerely,

Greg Rolen
